Dolphin Agri Impex, being a diversified organization has its focus on Agriculture products since 1989. The roots of business started with name of Krishna Trading Co. as commission agent of agricultural products within India operating from Marketing Yard of Rajkot which is among the biggest marketplace for farmer stocks in the world.

With step ahead toward international trading and processing of Peanuts Dolphin Agri Impex was founded in 2010 by the promoters of Krishna Trading Co. The core activity of Dolphin Agri Impex is processing Peanuts and Peanut products and supply to global customers. On other hand we also have well established procurement channel of Peanuts, Sesame seeds, Peanuts Oil and Sesame Oil from top producing countries like India, USA, Brazil, Argentina, Nicaragua, Paraguay and China since 2010. Our quality materials can be shipped world-wide from almost all the origins.

Experiencing the trade over a decade, we are strong enough to cater the needs of the industry and committed towards fulfilling the demand & supply chain.
